We recommend going with the 3 month start since the first order from the company comes with a 90 day risk free money back policy ([Click Here](#) for the 90 Day Return Policy). You can, however, just order 1 month and then add the "monthly subscription order" for 30 days ahead instead of 4 months (see instructions on #5 below). Please follow the directions below and text or call with any questions to 214-253-0569.

Step By Step Directions On How To Order

1. Go To this website link to this website link [LifeWave X39 Patches®](#) . You should see my name ("Brad Linder") on the top left of the page.

2. Add 3 X39's for the 90-Day trial.

Your first order has a 90-Day money back guarantee, which is why we suggest a 3-months upfront purchase. That way you have the full 3-month supply to stay consistent with and get the entire money back if you don't have any results and contact the company before the 90 days ([Click Here](#) for the 90 Day Return Policy). 3. Select “Add to Monthly Subscription Order”
This **can be changed or cancelled at any time** but needs to be selected to receive Preferred Pricing \$99.95 per sleeve vs. Retail \$149.95. **Proceed to the cart (top right of the screen) and Checkout.**

4. Hit “Create an Account” and create your new account.

5. Set subscription date when it prompts you. This is so that you get the \$99/month rate. This **can be changed or cancelled at any time**. If you are starting with the 3 month supply as suggested, you will want to push it out to 4 months from the date of the order. This will allow you plenty of time to determine if you want to continue following your 90-Day experience. We are very confident you will be experiencing amazing results and will want to continue but this at least allows for plenty of time. If you choose to start with one month supply at \$99 you can just move the subscription to 30 days from the current date.
