

Dear Business Owner/Manager,

On Saturday, June 7th, Get You In Shape will be hosting the 16th Annual Coppel Special Olympics 5K, a cherished community event that includes a 1-mile fun run, a timed 5K race, and a virtual participation option. All event proceeds will directly support the local Coppel Special Olympics teams.

Over the past 15 years, the Coppel 5K has raised over \$132,000 to support our amazing local athletes. For this year's 16th Annual event, our goal is simple: continue to provide the financial support that enables our athletes with special needs to thrive. Coppel Special Olympics relies on this event for 90% of its funding, which supports a variety of essential needs, including uniforms, transportation, equipment, competition fees, and even items like letter jackets for the athletes at the annual Special Olympics Banquet.

We would be honored to have your business involved in this important cause. While we know there are many requests for your support, we hope you will consider sponsoring this event at any level. Every contribution makes a meaningful difference. Please find the details of our sponsorship opportunities and their corresponding benefits on the next page.

Our secondary goal for this event is to create a fun, family-friendly experience that unites the Coppel community. Your sponsorship not only helps fund the Special Olympics but also brings our neighbors together for a day of celebration and support.

The Coppel Special Olympics is an incredible organization that provides life-changing opportunities for individuals with special needs, promoting health, fitness, and confidence through various sports programs. To learn more about the athletes and the programs they participate in, visit [www.coppello.org](http://www.coppello.org).

If you have any questions regarding sponsorships, corporate participation, or the event itself, please don't hesitate to contact Melissa Evans, the Coppel 5K Race Director, at 214-603-8287 or via email at [support@getyouinshape.com](mailto:support@getyouinshape.com).

We hope you will consider joining us as a sponsor or supporter of this amazing event. Your involvement will directly impact the lives of our local athletes, and we're excited to have you be a part of this year's success!

Respectfully,

Brad & Cynthia Linder
